# 60 series washers

The introduction of the 60 Series washers brought Maytag's legendary build quality to a 'European' specification product...with style written all over it too. But now Maytag shifts the benchmark again by adding new models to the range.

All boast an impressive 6kg load capacity. Technological advances include the use of a brilliant LCD display and Maytag's unique 4-point suspension system on selected models. There's a choice of brilliant White or Stainless Steel finishes and options on spin speeds...up to 2000rpm!

**SPIN SPEEDS  
UPTO 2000RPM**  
So fast it can squeeze  
out up to 0.8 litre more  
water compared with  
spinning at 800rpm...  
for even quicker drying.

**6 KG OF  
LAUNDRY**  
That's all the capacity  
you need to deal with 8  
bath sheets or almost 20  
hand towels...in one go!

**LCD  
DISPLAY**  
At-a-glance information  
on programme options  
and on progress...  
putting you in total  
control.

**UNIQUE 4 POINT  
SUSPENSION**  
Super smooth operation  
for minimum vibration and  
a longer working life...  
thanks to Maytag's unique  
suspension system.  
Available on all MAF Machines.

# 60 series dryers

If you're looking for Maytag's famous performance...but with European styling and specifications,

the new 60 Series means you're absolutely home and dry.

With new dryers now available to match our range of washing machines, there are more ways than ever to tackle up to a 7kg load...with 'figure of 8' tumble drying speeding the process for some serious time and energy saving. White or Stainless Steel. Vented or condenser. The choice is yours.

**7 KG OF LAUNDRY**  
Dry more washing, more quickly. No more than you expect from Maytag.

**FIGURE OF 8 DRYING**  
The perfect way to keep clothes in the airstream for longer...speeding up the drying process even more.

**CONDENSER / VENTING**  
The choice is yours... the flexibility of a 'plug in and use' condenser dryer or a dryer that vents to the outside through a duct.

**LCD DISPLAY**  
With so many drying options available, this is the perfect way to make your choice and keep an eye on progress.

# u.s. laundry

Americans want their washers and dryers built tough to take maximum loads...and maximum punishment. Yet they still expect them to complete a load so delicately you couldn't take more care if you were laundering by hand!

Enter Maytag's two new US-built masterpieces. A top loading washer. A front loading dryer. Both capable of packing in a heavyweight 7.5kg load. Both with a lightness of touch that belies their rugged reputation.

Both packed with features that put you totally in control...but still do all the work for you. Perfect.
